“Aviation fuel” means all liquid substances of whatever chemical composition usable for the propulsion of airplanes.

“Barrel” means forty-two United States gallons of crude oil or petroleum product.

“Crude oil” means petroleum in an unrefined state or natural state, including condensates and natural gasoline.

“Distributor” means:

- (1) Every person who refines, manufactures, produces, or compounds liquid fuel in the State and sells or uses the same therein;
- (2) Every person who imports or causes to be imported into the State any liquid fuel and sells it therein, whether in the original packages or containers in which it is imported or otherwise than in such original packages or containers, or who imports any such fuel for the person’s own use in the State;

- (3) Every person who acquires liquid fuel from a person not a licensed distributor and sells or uses it, whether in the original package or container in which it was imported (if imported) or otherwise than in such original package or container; and

“End user” means any person or government entity who acquires petroleum products for their own use and not for resale.

“Liquid fuel” or “fuel” means all liquids ordinarily, practically, and commercially usable in internal combustion engines for the generation of power and includes liquefied petroleum gases, all distillates of and condensates from petroleum, natural gas, coal, coal tar, and vegetable ferments, such distillates and condensates being ordinarily designated as a gasoline, naphtha, benzol, benzine, and alcohols so usable but not restricted to such designation. All aviation fuel that is sold for use in or used for airplanes is deemed to be “liquid fuel” or “fuel” whether or not coming within the definition contained in the foregoing sentence.

“Month” or “calendar month” means each full month of the calendar year; provided that whenever the books of any distributor in any county are kept on such a basis that its monthly records are made up on a basis other than a calendar month so that each business month of the distributor ends on some other day than the last day of the calendar month, and the distributor presents a sworn application to the department of taxation setting forth such facts and requesting that it be granted the privilege of making returns and paying the taxes and performing other duties required of it under this chapter upon the basis of such business month rather than a calendar month, the department shall in writing grant such privilege and thereupon, as to such distributor, the terms “month” or “calendar month” shall be deemed to mean and refer to such business month, and all returns and payments under this chapter shall be made upon the basis of such business month and all delinquencies and penalties shall attach and be calculated as of the last day of such business month.

§243-2 Distributors to register and be licensed. Every distributor, and any person before becoming a distributor, shall register as such with the department of taxation on forms to be prescribed, prepared, and furnished by the department and the department shall issue to such distributor a license which shall be valid until revoked by the department as hereinafter provided. However, distributors who cannot legally be required by the State to so register and be licensed, or to perform the duties required of distributors by any other provisions of this chapter, shall be deemed to be excluded from the operation of such provisions. §243-3 Retail dealers, permits; certificates. (a) The certificate of a retail dealer as to the amount of the retail dealer’s retail sales during the month, referred to in section 243-10, is of no validity unless at the time of making the certificate the retail dealer holds a permit from the department of taxation, which is then in effect. In order to obtain a permit, a retail dealer shall make an application to the department therefor, in such form as the department prescribes, and containing such information as the department requires.

(b) Any person who makes a false or fraudulent application or certificate or false statement in an application or certificate provided for by this chapter, with intent to defraud the State or to obtain, for a licensed distributor, an unauthorized credit, or who in any manner intentionally deceives or attempts to deceive the department in relation to an application or certificate provided for by this chapter, shall be fined not more than \$5,000 or imprisoned not more than one year, or both.

(c) No permit shall be issued to a retail dealer unless the department is satisfied that:

- (1) The retail dealer, as to all of the liquid fuel purchased by the retail dealer from licensed distributors, is engaged exclusively in selling the same at retail, and is not using the liquid fuel for any other purpose; or
- (2) The retail dealer maintains on the premises a pump or pumps drawing on tanks into which fuel is delivered by licensed distributors and from which no liquid fuel is drawn by the retailer for any purpose other than the sale thereof at retail, and the retail dealer further maintains records showing the quantity of liquid fuel on hand in those tanks at the beginning and end of each month and the deliveries into those tanks made by licensed distributors during the month; or
- (3) The retail dealer maintains records by which retail sales of liquid fuel purchased from licensed distributors are segregated from all other sales or uses of liquid fuel, and further showing the quantity of liquid fuel on hand at the beginning and end of each month and the purchases of liquid fuel from licensed distributors during the month.

(d) Permits to retail dealers shall be issued on an annual basis and shall expire at the end of each calendar year. A fee of \$5 shall be charged for each permit or renewal thereof. Permits shall be numbered and each certificate made by a retail dealer holding a permit shall bear the same identifying number as the permit which the retail dealer holds.

(e) The department may revoke a permit upon the grounds hereinafter stated, after notice to the retail dealer holding the permit informing the retail dealer of the grounds of the proposed revocation and of the time and place at which a hearing will be held thereon. If the department finds, after the hearing, that there is good cause therefor it may revoke the permit. The permit may be revoked upon any of the following grounds:

- (1) A false or fraudulent application or false statement in an application;
- (2) The giving of a false or fraudulent certificate or a false statement in a certificate;
- (3) Failure to maintain the practices or records required by paragraphs (1), (2), or (3) of subsection (c), whichever is applicable as shown by the retail dealer's application for the permit;
- (4) Incomplete or inaccurate records when and if required to be kept.

(f) Each retail dealer who holds a permit issued by the department which remains in effect, may make a certificate showing the amount of retail sales, made by the retail dealer during the month, of liquid fuel purchased from a licensed distributor, and further may furnish such certificate to the licensed distributor from whom the retail dealer purchased the liquid fuel, for the retail dealer's use as provided, in section 243-10. L 2010, c 73, §14.]* (a) In addition to any other taxes provided by law, subject to the exemptions set forth in section 243-7, there is hereby imposed a state environmental response, energy, and food security tax on each barrel or fractional part of a barrel of petroleum product sold by a distributor to any retail dealer or end user of petroleum product, other than a refiner. The tax shall be \$1.05 on each barrel or fractional part of a barrel of petroleum product that is not aviation fuel; provided that of the tax collected pursuant to this subsection:

- (1) 5 cents of the tax on each barrel shall be deposited into the environmental response revolving fund established under section 128D-2;
- (2) 15 cents of the tax on each barrel shall be deposited into the energy security special fund established under section 201-12.8;
- (3) 10 cents of the tax on each barrel shall be deposited into the energy systems development special fund established under section 304A-2169; and
- (4) 15 cents of the tax on each barrel shall be deposited into the agricultural development and food security special fund established under section 141- .

The tax imposed by this subsection shall be paid by the distributor of the petroleum product.

(b) Each distributor subject to the tax imposed by subsection (a), on or before the last day of each calendar month, shall file with the director, on forms prescribed, prepared, and furnished by the director, a return statement of the tax under this section for which the distributor is liable for the preceding month. The form and payment of the tax shall be transmitted to the department of taxation in the appropriate district.

(c) Notwithstanding section 248-8 to the contrary, the environmental response, energy, and food security tax collected under this section shall be paid over to the director of finance for deposit as provided in subsection (a).

(d) Every distributor shall keep in the State and preserve for five years a record in such form as the department of taxation shall prescribe showing the total number of barrels and the fractional part of barrels of petroleum product sold by the distributor during any calendar month. The record shall show such other data and figures relevant to the enforcement and administration of this chapter as the department may require. §243-4 License taxes. (a) *[Repeal and reenactment on December 31, 2012. L 2009, c 198, §3.]* Every distributor, in addition to any other taxes provided by law, shall pay a license tax to the department of taxation for each gallon of liquid fuel refined, manufactured, produced, or compounded by the distributor and sold or used by the distributor in the State or imported by the distributor, or acquired by the distributor from persons who are not licensed distributors, and sold or used by the distributor in the State. Any person who sells or uses any liquid fuel knowing that the distributor from whom it was originally purchased has not paid and is not paying the tax thereon shall pay such tax as would have applied to such sale or use by the distributor. The rates of tax imposed are as follows:

- (1) For each gallon of diesel oil, 2 cents;
- (2) For each gallon of gasoline or other aviation fuel sold for use in or used for airplanes, 2 cents;
- (3) For each gallon of naphtha sold for use in a power-generating facility, 2 cents;
- (4) For each gallon of liquid fuel, other than fuel mentioned in paragraphs (1), (2), and (3), and other than an alternative fuel, sold or used in the city and county of Honolulu, or sold in any county for ultimate use in the city and county of Honolulu, 17 cents state tax, and in addition thereto an amount, to be known as the "city and county of Honolulu fuel tax", as shall be levied pursuant to section 243-5;
- (5) For each gallon of liquid fuel, other than fuel mentioned in paragraphs (1), (2), and (3), and other than an alternative fuel, sold or used in the county of Hawaii, or sold in any county for ultimate use in the county of Hawaii, 17 cents state tax, and in addition thereto an amount, to be known as the "county of Hawaii fuel tax", as shall be levied pursuant to section 243-5;
- (6) For each gallon of liquid fuel, other than fuel mentioned in paragraphs (1), (2), and (3), and other than an alternative fuel, sold or used in the county of Maui, or sold in any county for ultimate use in the county of Maui, 17 cents state tax, and in addition thereto an amount, to be known as the "county of Maui fuel tax", as shall be levied pursuant to section 243-5; and
- (7) For each gallon of liquid fuel, other than fuel mentioned in paragraphs (1), (2), and (3), and other than an alternative fuel, sold or used in the county of Kauai, or sold in any county for ultimate use in the county of Kauai, 17 cents state tax, and in addition thereto an amount, to be known as the "county of Kauai fuel tax", as shall be levied pursuant to section 243-5.

18-243-4-01 If it is shown to the satisfaction of the department, based upon proper records and from any other evidence as the department may require, that liquid fuel, other than fuel mentioned in paragraphs (1), (2), and (3) is used for agricultural equipment that does not operate upon the public highways of the State, the user thereof may obtain a refund of all taxes thereon imposed by this section in excess of 1 cent per gallon. The department shall adopt rules to administer such refunds.

(b) Every distributor of diesel oil, in addition to the tax required by subsection (a), shall pay a license tax to the department for each gallon of diesel oil sold or used by the distributor for operating a motor vehicle or motor vehicles upon public highways of the State. The rates of the additional tax imposed are as follows:

- (1) For each gallon of diesel oil sold or used in the city and county of Honolulu, or sold in any other county for ultimate use in the city and county of Honolulu, 15 cents state tax, and in addition thereto an amount, to be known as the "city and county of Honolulu fuel tax", as shall be levied pursuant to section 243-5;
- (2) For each gallon of diesel oil sold or used in the county of Hawaii, or sold in any other county for ultimate use in the county of Hawaii, 15 cents state tax, and in addition thereto an amount, to be known as the "county of Hawaii fuel tax", as shall be levied pursuant to section 243-5;
- (3) For each gallon of diesel oil sold or used in the county of Maui, or sold in any other county for ultimate use in the county of Maui, 15 cents state tax, and in addition thereto an amount, to be known as the "county of Maui fuel tax", as shall be levied pursuant to section 243-5; and
- (4) For each gallon of diesel oil sold or used in the county of Kauai, or sold in any other county for ultimate use in the county of Kauai, 15 cents state tax, and in addition thereto an amount, to be known as the "county of Kauai fuel tax", as shall be levied pursuant to section 243-5.

If any user of diesel oil furnishes a certificate, in a form that the department shall prescribe, to the distributor or if the distributor who uses diesel oil signs the certificate, certifying that the diesel oil is for use in operating a motor vehicle or motor vehicles in areas other than upon the public highways of the State, the tax as provided in paragraphs (1) to (4) shall not be applicable. If a certificate is not or cannot be furnished and the diesel oil is in fact for use for operating a motor vehicle or motor vehicles in areas other than upon public highways of the State, the user thereof may obtain a refund of all taxes thereon imposed by the foregoing paragraphs. The department shall adopt rules to administer the refunding of such taxes.

(c) The tax shall not be collected in respect to any benzol, benzene, toluol, xylol, or alternative fuel sold for use other than for operating internal combustion engines. With respect to these products, other than alternative fuels, the department, by rule, shall provide for the reporting and payment of the tax and for the keeping of records in such a

manner as to collect, for each gallon of each product sold for use in internal combustion engines for the generation of power, or so used, the same tax or taxes as apply to each gallon of diesel oil. With respect to alternative fuels, the only tax collected shall be that provided in paragraphs (1), (2), and (3) of this subsection. This subsection shall not apply to aviation fuel sold for use in or used for airplanes.

- (1) Every distributor of any alternative fuel for operation of an internal combustion engine shall pay a license tax to the department of one-quarter of 1 cent for each gallon of alternative fuel sold or used by the distributor;
- (2) Every distributor, in addition to the tax required under paragraph (1) of this subsection, shall pay a license tax to the department for each gallon of alternative fuel sold or used by the distributor for operating a motor vehicle or motor vehicles upon the public highways of the State at a rate proportional to that of the rates applicable to diesel oil in subsection (b), rounded to the nearest one-tenth of a cent, as follows
 - (A) Ethanol, 0.145 times the rate for diesel;
 - (B) Methanol, 0.11 times the rate for diesel;
 - (C) Biodiesel, 0.25 times the rate for diesel;
 - (D) Liquefied petroleum gas, 0.33 times the rate for diesel; and
 - (E) For other alternative fuels, the rate shall be based on the energy content of the fuels as compared to diesel fuel, using a lower heating value of one hundred thirty thousand British thermal units per gallon as a standard for diesel, so that the tax rate, on an energy content basis, is equal to one-quarter the rate for diesel fuel.

The taxes so paid shall be paid into the state treasury and deposited in special funds or paid over in the same manner as provided in subsection (b) in respect of the tax on diesel oil;

18-243-4-02

- (3) If any user of alternative fuel furnishes to the distributor a certificate, in a form that the department shall prescribe or if the distributor who uses alternative fuel signs the certificate, certifying that the alternative fuel is for use in operating a motor vehicle or motor vehicles in areas other than upon the public highways of the State, the tax as provided by paragraphs (1) and (2) of this subsection shall not be applicable; provided that no certificate shall be required if the alternative fuel is used for fuel and heating purposes in the home. If a certificate is not or cannot be furnished and the alternative fuel is in fact used for operating an internal combustion engine or operating a motor vehicle or motor vehicles in areas other than upon the public highways of the State, the user thereof may obtain a refund of all taxes thereon imposed by the foregoing paragraphs. The department shall adopt rules to administer the refunding of these taxes.

(d) No tax shall be collected in respect to any liquid fuel, including diesel oil and liquefied petroleum gas, shown to the satisfaction of the department to have been sold for use in and actually delivered to, or sold in, the county of Kalawao.
