

19-10-03.1. Retail sale of alcohol-blended gasoline - Label requirements.

A dealer may not sell at retail alcohol-blended gasoline unless the dispensing unit and any price advertising bear the name of the alcohol blended with the gasoline if the alcohol-blended gasoline consists of one percent or more by volume of any alcohol. The disclosure must be in letters at least the same size as those used for the label of the basic grade of gasoline and must be next to the gasoline grade label. A producer of alcohol-blended gasoline may provide a retailer with a label promoting the benefits of alcohol-blended gasoline, if the label at least meets the requirements of this section.

19-10-03.3. Retail sale of alternative fuels - Notice required.

A dealer may not sell at retail alternative fuel unless the dispensing unit and price advertising contains the name and main components of the alternative fuel or alternative fuel blend. The disclosure must follow the same labeling specifications that apply for petroleum-based fuels. The department shall adopt rules under chapter 28-32 for labeling of petroleum products and alternative fuels. A producer of alternative fuels or alternative fuel blends may provide a retailer with a label promoting the benefits of the alternative fuel if the label meets the requirements of this section.
