

NRS 484A.463 Authority of Department of Transportation to adopt regulations to allow certain low emission and energy-efficient vehicles to be operated in lane designated for high-occupancy vehicles. [Effective through December 31, 2011.]

1. To the extent not inconsistent with federal law, the Department of Transportation may, in consultation with the Federal Highway Administration and the United States Environmental Protection Agency, adopt regulations establishing a program to allow a vehicle that is certified by the Administrator of the United States Environmental Protection Agency as a low emission and energy-efficient vehicle to be operated in a lane that is designated for the use of high-occupancy vehicles pursuant to [NRS 484A.460](#).

2. As used in this section, "low emission and energy-efficient vehicle" has the meaning ascribed to it in 23 U.S.C. § 166(f)(3).
